

ENVIROPATROL®

26 HEAVY DUTY CLEANER

Product description

Heavy Duty Cleaner is an environmentally preferable alternative to conventional Butyl or other water based solvent cleaners or degreasers. It quickly removes petroleum based soils such as grease, grime and oil deposits in factories and warehouses. It is also extremely effective against protein type soils found in food processing plants and institutional kitchens. It can be used in a conventional mop and bucket operation, automatic scrubber or pressure washer.

Heavy Duty Cleaner has been 3rd party certified by Green Seal according to GS-37 Environmental Standard and is recognized by the U.S. Environmental Protection Agency Design for the Environment (DfE) Formulator Initiative.

Why it's a better cleaner

The Cleanworks® System dispenses it right...every time.

- Green Seal Certified - Environmentally preferred
- Concentrated - Multiple applications
- Cold water effective - Energy savings
- Contains oxygen boosters - No unpleasant fumes

How it cleans

This product is formulated to work effectively with cold water. Cold water is recommended to help save energy used to heat water.

1. Dispense or mix this product according to dilution chart.
2. Apply solution to surface to be cleaned.
3. Allow this product time to penetrate and disperse the soil and contaminant.

4. Scrubbing with a sponge, cloth, pad or brush may speed up the cleaning action.
5. Once soils are loosened simply wipe or wash away with a cloth or water. No rinsing is necessary.

Dilution chart

DILUTE 1:128*

Dispenses 640 quarts of ready-to-use cleaner from the 1.25 gallon concentrate of Cleanworks® #26 Heavy Duty Cleaner.

Dispenses 516 quarts* or 129 gallons** of ready-to-use cleaner from the 2 liter concentrate of Cleanworks® #26 Heavy Duty Cleaner.

Where it cleans

Removes grease in kitchens around stoves, ovens and vent hoods. General cleaning of floors, walls, and other hard surfaces. Degreases shop tools, equipment and machinery. Effective against Industrial grease and oil, animal fats, permanent marker and ink. Effective against most water or oil based soils.

Technical Data

Available Sizes 1.25G, 2L
 Physical State Liquid
 Color Clear, green
 Odor Low
 pH 3.5 - 4.5
 VOC's < 3%
 Foam Low
 Freeze/Thaw Stability Excellent
 Solubility in Water Complete
 Cleanworks® 2

* RTU Yield Low-Flow 516 Quarts

** RTU Yield High-Flow 129 Gallons

* This product meets Green Seal's environmental standard for industrial and institutional cleaners based on its reduced human and aquatic toxicity and reduced smog production potential.

* Este producto cumple con los requisitos del Sello Verde, en cuanto a su norma ecológica para limpiadores industriales e institucionales, según su toxicidad reducida para los seres humanos y la vida acuática y su potencial de smog restringido.

** All products displaying the EPA DfE logo have been Formulated in Partnership with EPA Design for the Environment Formulator Initiative.

CLEANING MANAGEMENT SYSTEM

#26 Heavy Duty Cleaner is designed to be used with the Cleanworks® Cleaning Management System. The system dispenses precisely diluted cleaner with the touch of a button...ready to work in spray, wipe-on or mop-on applications. Highly concentrated formula saves storage space and helps reduce disposal costs. Cleanworks® is simple, accurate and safer to use.

The cleanworks® Cleaning Management System is subject of U.S. Patents No. 5037003, 5083677, & 5228598
